

COME ALONG AND FIND OUT ABOUT THE

**‘PROTECTING OUR PLACES’
PROGRAM FOR 2011**

The NSW Environmental Trust will be holding a series of Information Workshops on its Aboriginal environmental grants program for 2011.

You will learn about:

- how you can protect and care for your ‘country’
- what makes a good application
- how to develop a budget and plan for project reports
- how to access assistance in completing your application for funding

And have the opportunity to workshop ideas for an environmental project
