For any enquiries or help completing this form, please contact your nearest Local Land Services Office.

Alternately to using this form you can:

1. Use the online Notifications system to submit your Notification.
Go to: <http://www.environment.nsw.gov.au/vegetation/onlineetools.htm>
2. Have a Local Land Services **officer** submit the Notification on your behalf.
3. Have a registered agent submit the Notification on your behalf.

Notes

1	Lot, Section and Deposited Plan details can be found on your council rates notice.
2	If the land being cleared is subject to a Private Native Forestry Property Vegetation Plan, then the use of the thinning, invasive species and paddock tree code is not permitted
3	Please ensure that you have provided a map of the property showing the area that is being cleared. A map of your property can be obtained from your nearest Local Land Services Office.
4	If more space is required, please attach a list of all invasive species to this form.
5	If more space is required, please attach a list of all clearing methods being used to this form.
6	Also provide a map of the property showing the set aside area required for the Paddock Tree Code. A map of your property can be obtained from your nearest Local Land Services Office.
