Dear

Enclosed you will find a range of briefing material for your information in preparation for the Citizens Jury which will begin on Friday, September 14 at Waverley Council Chambers at 9am.

Providing you with good quality and relevant information is central to the Citizens Jury process. In addition to the expert witness presentations, we have enclosed the following documents which provide key background information around stormwater management and the Bronte catchment community:

- A time line of the Bronte Catchment Project's major activities;
- A series of papers outlining Waverley Council's policies and practices relevant to stormwater management;
- Stormwater management legislation in NSW;
- A summary report of results from the tele-poll;
- A summary of *People, Power and Place - A community profile of Bronte Catchment*;
- A summary of business outreach activities in the Bronte Catchment;
- Two newspaper articles looking at ways to manage stormwater;
- A recent article in the Sydney Morning Herald featuring the Bronte Catchment project and the Citizens Jury;
- Hopes, fears and expectations of jurors which were raised and discussed on Sunday at the pre Jury forum;
- Agreement to participation in the Citizens Jury – setting out the conditions for participation.

You will also find an evaluation survey enclosed. We ask that you please complete this survey before you have read any of the other documents, place it in the stamped envelope provided and put it directly in the mail.

We do not mean for this information to overwhelm you, our main intention is to provide you with the most relevant and useful information possible to prepare and guide you through the deliberation process. Please feel free to contact the project team with any questions or queries you may have about the information you have just received or anything else you wish to clarify.

We would also like to take this opportunity to extend an invitation to you and your family and friends to attend the closing ceremony and reception for the
Citizens Jury on Sunday evening from 6.30pm. If you would like to attend please contact the project team so that we can confirm numbers for catering for the occasion.

The project team looks forward to seeing you on Friday, September 14 at Waverley Council Chambers at 9am to begin this exciting new process.

Warmest wishes,

Roberta Ryan, Bronte Catchment Project
