Office of Environment and Heritage
Fauna Dealer (Kangaroo) Restricted Wholesaler Licence
Biodiversity Conservation Act 2016
Licence Conditions

1. For the purpose of this licence and conditions, the term:

   a) 'OEH' means: the Office of Environment and Heritage (NSW)

   b) the term 'kangaroo' means: both kangaroos and wallaroos in the singular and plural

   c) 'carcase' means: the entire body (including the skin) of the kangaroo, excluding the head and viscera

   d) 'licensee' means: the person/s or company named in this licence as the Fauna Dealer

   e) 'registered premise' means: a premise in NSW registered by OEH for the temporary storage or processing of kangaroo carcases

   f) 'sell' means: includes to sell, to offer for sale, to supply and to send forward or deliver for sale

   g) 'processing' in relation to skins means treatment other than flint drying, freezing or dry salting, and in relation to carcases means to remove the skin and/or cut up the carcase.

2. The licensee must only process or store kangaroo skins or carcases at a registered premise.

3. The licensee must only purchase kangaroos from the holder of a current Fauna Dealer (Wholesaler) licence.

4. The licensee must not have in their possession or control any kangaroo skin or carcase that does not have a commercial tag attached.

5. The licensee must not remove or cause to be removed a commercial tag from any kangaroo until immediately prior to processing the skin.

6. In relation to record keeping, the licensee must:

   i. record each transaction relating to kangaroos immediately upon completion

   ii. keep at each premise registered to the licensee true and accurate records in the form provided by OEH

   iii. make these records available for inspection by an authorised officer of OEH whenever requested

   iv. provide to OEH at Reply Paid 2111 Dubbo NSW 2830, within 10 days from the end of each month, one true and accurate return on the form provided by the OEH.
   Where no kangaroos are purchased, processed or sold, a NIL return must be provided.
