

Office of Environment and Heritage

Commercial Occupier's (Kangaroo) Licence

Biodiversity Conservation Act 2016

Licence Conditions

1. For the purpose of this licence and conditions, the term:
 - a) 'OEH' means: the Office of Environment and Heritage (NSW)
 - b) 'kangaroo' means: both kangaroos and wallaroos in the singular and plural
 - c) 'carcase' means: the entire body (including the skin) of the kangaroo, excluding the head and viscera
 - d) 'occupier' means: the person/s named in this licence as the occupier of the property
 - e) 'sell' means: the same meaning as in the *National Parks and Wildlife Act 1974* and includes to sell, to offer for sale, to supply and to send forward or deliver for sale
 - f) 'Harvester' means: the licensed commercial fauna harvester nominated by the occupier and named on this licence
 - g) 'Code of Practice' means: the 'National Code of Practice for the Humane Shooting of Kangaroos and Wallabies for Commercial Purposes'.
2. The occupier must not transfer tags from one property to another property. The tags recorded on this licence are valid only for the property specified and for the period specified in this licence.
3. The occupier must ensure that the Harvester receives a copy of this licence, the relevant return forms and the tags issued for this licence.
4. Within 10 days of the date of expiry of this licence, the occupier must return to the OEH office of issue all tags that were issued to the occupier which remain unused and in the possession of the occupier as at that date.
5. Only the Harvester nominated by the occupier and named on this licence is authorised to harm kangaroo under this licence.
6. Kangaroo must only be harmed in accordance with the Code of Practice.
7. No more than the number of kangaroos stated on this licence may be harmed. If more than one species is authorised to be harmed, no more than the stated number of each species may be harmed.
8. Pouch young or young at foot must be euthanised in accordance with the Code of Practice. Pouch young or young at foot euthanised in accordance with the aforementioned Code of Practice are not included in the total number of kangaroos that may be harmed in accordance with this licence.
