CONSTRUCTION PLAN

URGENT WORKS

TRAFFIC CONTROL PLAN

NOTES

1. Work hours; 7am - 6pm Monday to Friday excepting public holidays
2. Construction Time; Approx 3 working days.
3. Truck volumes; It is estimated that 2 trucks @ 12t/truck over the 3 days will be required.
4. Traffic Control and Signage; All traffic control and signage is to comply with Roads & Maritime Services Guide to Traffic Control at Worksites Manual. All signage is to be removed when works are not in progress and are to be removed immediately following the completion of works.
  - Sign distances may be shortened to 25m so not to be obscured by vegetation if necessary.
  - Traffic controller to hold North bound traffic for truck to reverse into sight
  - Contractor to provide a spotter for vehicles and pedestrians in Childe St.
5. Road Hazards; Trucking operations to be implemented in a safe manner so as to not cause a hazard for motorists or pedestrians.
6. Covering of Loads; All loads are to be covered with taut heavy duty purpose fitted tarpaulins to ensure no loss of load or dust.
7. Mud; Contractor to ensure that the wheels, tracks and body surfaces of all vehicles and plant leaving the site are free of mud and that mud is not carried on to adjacent paved streets or other areas.
