

Office of Environment and Heritage

Licence Conditions Commercial Harvester (Kangaroo) Professional 2018

Conditions of Licence

1. Unless stated otherwise, words and expressions used in this licence have the same meaning as those set out in the *Biodiversity Conservation Act 2016* (BC Act).
2. In this licence:
 - a. 'carcass' means the entire body (including the skin) of the kangaroo, excluding the head and viscera
 - b. 'carcass tag' means a tag issued to the licensee by OEH for affixing to kangaroo carcasses
 - c. 'commercial tag advice' means a notice in writing issued by OEH to the licensee when carcass tags are supplied to the licensee by OEH
 - d. 'licensee' means the person named in this licence
 - e. 'OEH' means the Office of Environment and Heritage (NSW)
 - f. 'registered premises' means the premises registered by OEH for the temporary storage of kangaroo carcasses.
3. The licensee must carry this licence whilst in possession of any kangaroo carcass.
4. The licensee must carry the commercial tag advice that relates to the tags affixed to kangaroo carcasses in the possession of the licensee.
5. The licensee must hold a current:
 - a. Firearms Licence issued under the *NSW Firearms Act 1996* or the corresponding law of any other State or Territory
 - b. Firearms Accreditation for Kangaroo Harvesters issued by Firearms Safety and Training Council Ltd.
6. The licensee must only harm kangaroos in accordance with the *National Code of Practice for the Humane Shooting of Kangaroos and Wallabies for Commercial Purposes* published by the Australian Government.
7. The licensee must not possess or sell any live kangaroo.
8. The licensee may only harm kangaroos of the species and number and at the property and within the time period specified in the commercial tag advice issued for that property.
9. The licensee must permanently affix a carcass tag on a kangaroo carcass adjacent to the rectum immediately a kangaroo is shot.
10. The licensee must not remove a carcass tag or cause a carcass tag to be removed after it is affixed.
11. The licensee must not store or sell kangaroo carcasses at any location other than the registered premises.
12. The licensee must not sell any kangaroo carcass except to a person who holds a licence granted by OEH that authorises the holder of the licence to buy kangaroo carcasses from the licensee.
13. The licensee must deliver all kangaroo carcasses that are to be sold to the registered premises. No other person may possess or deliver the carcasses.
14. The licensee must not sell a kangaroo carcass that weighs less than:
 - a. 14 kilograms, from which the heart liver, lungs, tail, forearms (below elbow) and feet (below tarsals/fibula joint) have been removed
 - b. 15 kilograms, to which any of the above listed body parts are still attached when weighed at the point of delivery to the registered premises.
15. The licensee must not possess or sell any kangaroo carcass containing a bullet wound in the body. If a kangaroo is shot in the body, a tag must be affixed adjacent to the rectum and the carcass must not be moved from where it was shot.
16. The licensee is to supply a true and accurate Harvester's Return Form in the form required by OEH for each commercial tag advice within 10 days of the end of each calendar month.

Note. Where no kangaroos are shot in the relevant calendar month a 'nil' return must be provided.

17. The licensee must return to OEH any tag that is not affixed to a kangaroo within 10 days after the expiry date on the commercial tag advice.
18. The licensee must notify OEH of any change in their residential or postal address within 21 days of that change.
19. The licensee is only entitled to apply for tags in relation to the following properties:

Note. The properties listed below are properties for which landholder consent has been obtained and supplied to OEH.

EXAMPLE
