

Saving our Species project 2014-15 annual report card

Small-fruited Mountain Gum

Species attributes

Scientific name:	<i>Eucalyptus oresbia</i>
NSW status:	Vulnerable
Commonwealth status:	Not listed
Management stream:	Site-managed

Photographer: John T. Hunter

Overall project status*

Stable or increasing population trend for all key management sites

Population trend not determined for some key management sites; too early to determine overall status

Decreasing population trend for at least one key management site; project review triggered

*For SoS priority management sites (may not include all locations where the species occurs in NSW)

Project summary

Key management sites:	Hanging Rock
Action implementation:	2 of 3 actions were implemented as planned for the financial year (includes species population monitoring actions + other project actions fully or partially implemented)
Total expenditure:	\$30 (cash and in-kind)
Project partners:	Office of Environment and Heritage

Management site 1: Hanging Rock

LGA: Tamworth Regional

Project partners: Office of Environment and Heritage

Species population monitoring action

Reported trends are based on best available information

Estimated population	Population monitoring conducted
1500	No

Investment

This includes cash and in-kind contributions

Project participant	Investment
Office of Environment and Heritage	\$30

Project actions

The project actions below are those identified as being required in 2014-15 to secure the species in the wild

Threat	Management/monitoring action description	Implemented as planned?
Destruction and disturbance of habitat for road-works.	Monitor for evidence of direct disturbance on the species at the sites.	Yes
Destruction and disturbance of habitat for road-works.	Liaise with Council to inform them of the location of the species, and to minimise accidental damage during road/track works. Incorporate into relevant plans.	Yes

Site summary

Monitoring and liaison activities have been conducted, and will inform a review of the project.
