

Appendix 3

List of agencies and organisations whose data are distributed via the Atlas of New South Wales Wildlife*:

(current as of November 2011)

- Australian Museum
- Coffs Harbour Herbarium Specimen Register
- Department of Primary Industries (Forests NSW)
- Department of Sustainability, Environment, Water, Population and Communities – Australian Bird and Bat Banding Scheme data for NSW

* Data from these agencies may also be distributed via means other than the Atlas of NSW Wildlife.
