

DEPARTMENT OF PLANNING, INDUSTRY AND ENVIRONMENT

NSW Commercial Kangaroo Program Animal Welfare Report

Animal Welfare Report number:	
-------------------------------	--

Section A: General information

Purpose of this form

Condition 14 of the Animal Dealer Licence requires a licensee who receives a kangaroo carcass containing a bullet wound in the body (Affected Carcass) to, among other things, complete and submit an Animal Welfare Report within 24 hours of receipt.

This Animal Welfare Report is to be completed and submitted by a licensee in accordance with that condition.

Your obligations

- Complete a separate form for each Affected Carcass and submit to the Department as set out above.
- Keep the form so it may be produced to the Department if requested.

Unless stated otherwise, words and expressions used in this Animal Welfare Report have the same meaning as those set out in the Biodiversity Conservation Act 2016 and the Animal Dealer Licence.

The completed form is to be submitted in the [Wildlife Management System online portal](#).

Condition 14 of the Animal Dealer (Kangaroo) Licence (Animal Dealer Licence) requires that the completed form be submitted within 24 hours of the Licensee receiving the Affected Carcass.

Section B: Incident details

Place or establishment where Affected Carcass was received

Licensee name	
Licensee number	
Registered premises address	
Registered premises registration number	
Postal address (if different to above)	
Telephone	
Email	
Authorised Representative	

Description of Affected Carcass

Location of bullet wound (where on the body the kangaroo was shot)	
Carcass tag number (DPIE)	
Harvest date	
Date affected carcass received	
Additional information	

Affected Carcass Harvester details

Harvester name	
Harvester licence number	
Harvest location (carcass property of origin)	
Other relevant information	

Affected Carcass purchase information

Licensee from whom the carcass was bought or imported	
Licensee number	
Licensee address	

Section C: Photos of Affected Carcass

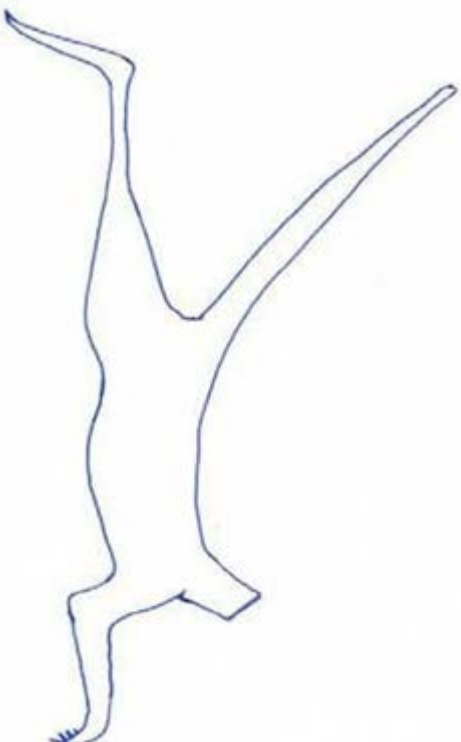

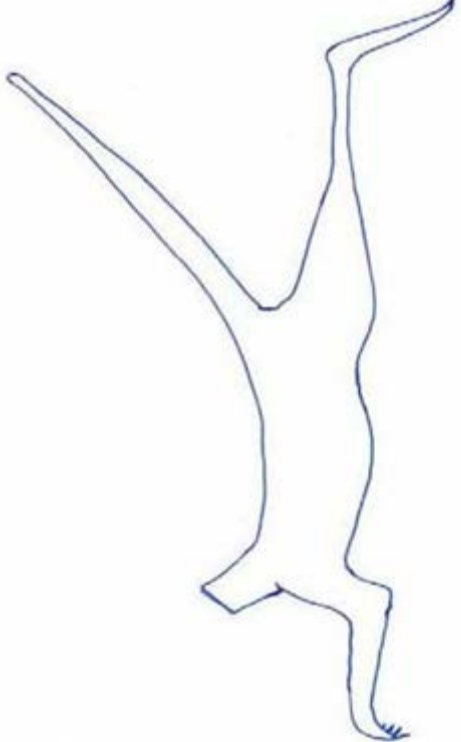

Photographic evidence must be clear and include the following:

- Photo of the Affected Carcass' carcass tag (general photos of the affected carcass as a whole and close up of bullet wound).
- Photos showing a metal rod inserted in the bullet entry wound and out the bullet exit wound in the carcass to demonstrate the trajectory of the bullet through the carcass. The rod should not be forced through the carcass, but gently inserted.
- Photos showing all carcass bruising.

Note: Ensure that the file number of all photos is recorded in the table below and send electronic copies of photos with the incident report.

File name of photo	Description	Date photo taken

Mark on the diagram below, the bullet entry, exit wounds and the extent of carcass bruising.

Right hand side of carcass	Left hand side of carcass
	

Key • = Bullet entry * = Bullet exit /// = Bruising

Section D: Reporting of incident

Section E: Declaration of Licensee

I acknowledge that the information provided in this report may be used by the Department of Planning, Industry and Environment to investigate possible contraventions under the *Biodiversity Conservation Act 2016*, Biodiversity Conservation Regulation 2017 or other instruments made under this Act, and may be produced before a court of law.

Licensee full name			
Signature			
Date			
Capacity			

It is an offence under the *Biodiversity Conservation Act 2016* to provide false or misleading information pursuant to an obligation imposed by the conditions of a licence under the Act.

Section F: Privacy notice

The Department is subject to the *Personal Information Protection Act 1998* (NSW) in managing your personal information. Our Privacy Management Plan describes how the agency meets these obligations.

Your personal information is being collected by the Department for the purposes of complaint handling functions and investigative functions relating to the *Biodiversity Conservation Act 2016*, Biodiversity Conservation Regulation 2017 or other instruments made under this Act. The submission of this report is required in a condition of the Animal Dealer (Kangaroo) Licence and the provision of any personal information requested in the report is therefore required by law. If the relevant personal information requested in this document is not provided you may be in breach of your Animal Dealer (Kangaroo) Licence.

Consistent with the purpose of collection, the Department may disclose your personal information to any person in line with the Department meeting its complaint handling functions and investigative functions, including any harvester or dealer named in this report. The Department may otherwise disclose your personal information as permitted under law.

Your personal information will be held by the Department in a secure, government accredited database.

You have a right to access your personal information. You can also request that your personal information is updated or corrected. If you wish to do so, please email Senior Team Leader at kangaroo.management@environment.nsw.gov.au or telephone on 1300 173 376.
