NSW Commercial Kangaroo Program Untagged Carcass Report

Condition 8 of the Animal Dealer (Kangaroo) Licence (Animal Dealer Licence) requires a licensee who receives a kangaroo carcass that does not have a carcass tag affixed (Untagged Carcass) to, among other things, complete and submit an Untagged Carcass report within 24 hours of the end of the week in which they receive the carcass. A carcass tag is a tag issued by the Department or a corresponding interstate agency to a licensed harvester for affixing to kangaroo carcasses.

This Untagged Carcass Report is to be completed and submitted by a licensee in accordance with that condition.

Unless stated otherwise, words and expressions used in this Report have the same meaning as those set out in the *Biodiversity Conservation Act 2016* and the Animal Dealer Licence.

The completed form is to be submitted via email to kangaroo.management@environment.nsw.gov.au
