

S00080 – Sean Clayton

the illegal use of Possum traps needs to stop. Kennard's hire. hire traps for animals and the general public can do what ever they like without prosecution.

I abide by the NPWS licence I hold for my business to the best I my ability and feel the general public are not prosecuted for there actions. I am always advising clients not to undertake any such activities. as they should be managed by a licenced person/s
