## Development Application

Under section 78A of the Environmental Planning and Assessment Act 1979

#### About this form

This form is required to apply for a Part 4 development approval under section 78A of the *Environmental Planning and Assessment Act 1979 (EP&A Act)*, for proposals that require consent.

This form only applies to applications for development consent for coastal protection works such as sea walls or beach nourishment under clause 129A of *State Environmental Planning Policy (Infrastructure) 2008* for which the NSW Coastal Panel is the consent authority.

If your proposal involves development for other purposes which may include a seawall or beach nourishment as part of the proposed development, you must lodge the development application for those works with the responsible consent authority (e.g. the council).

This form is a public record and will be made publicly available on the Coastal Panel's website. For more details, see section 8 of this form.

#### Disclosure statement

Persons lodging applications are required to declare reportable political donations made in the previous two years. For more details, see section 7 of this form.

### Lodgement

All applications must be lodged with the Chair, NSW Coastal Panel by courier or by mail at the address below.

Chair NSW Coastal Panel c/- Office of Environment and Heritage Level 14, 59-61 Goulburn Street, Sydney NSW 2000 PO Box A290 Sydney South NSW 1232

## Attachment A. Integrated development — approvals from state agencies

Some proposals need other kinds of approvals (eg licences, permits), as set out in Section 5 of this form. Your proposal is known as integrated development if you need development consent and one or more of the approvals that have been set out in this attachment. Follow through each of the Acts to decide whether you need any of these approvals. If you have identified you need one or more approvals, please include this attachment with your application.
