

I refer to my development application signed on 26 July 2017 and lodged with the NSW Coastal Panel on 11 August 2017.

I acknowledge that under section 10.4 of the Environmental Planning and Assessment Act 1979 (NSW) (previously section 147), any reportable political donations within a two year period before the date of the application must be publically disclosed.

I am not aware of any person with a financial interest in the application who made a reportable donation or gift in the last two years.

I undertake to advise the Coastal Panel in writing if I become aware of any person with a financial interest in the application who has made a political donation or has given a gift in the period from the date of lodgement of the application and the date of determination.
