My name is Peter Allen Wheeler & I reside at Unit 4/15 Pacific St Wamberal, NSW 2260 & I confirm that I have made no Political Donations in the previous 2 years.

I lodge this submission of support for the above Revetment Proposal to be constructed at Wamberal Beach. The residents have been waiting for Gosford Council ( now Coast ) to build this wall for the last 20 odd years. It is the only way of guaranteeing the safety & security for both the residents and those in nearby streets, for, should the ocean penetrate the dune system in a weather event such as 4/5 th June 2016 or in 1978 all the houses,shops etc behind are at risk. After years of delay, deferral, or just plain doing nothing the residents at the above locations are taking the matter into their own hands to try to protect their assets. It is a disgrace that Council/ Government will not protect this vital area, but actively prevent the citizens of protecting it themselves.

For the above reasons I totally support the Development Application.

Yours faithfully

Peter Wheeler

Dear Marc

I write to you as the owner of 41 Ocean View Drive, Wamberal.

Please accept this submission as my comments of this proposed rock revetment wall covering these 6 properties and extending over public land know as the Ruins.

I fully support all effort on Wamberal beachfront to actively stabilise the dunes, protect properties and restore public safety to the adjoining beach following the June storms, but I would ask that the panel only considers this application as to its overall suitability and workability as part of a lagoon to lagoon solution for Wamberal Beach.

Kind regards

regarding - development application - rock revetment at 29,31, 33 Pacific Street and 23A, 23B and 25 Ocean View Drive, Wamberal

As nearby residents, at 7 Calais Road, Wamberal - we completely endorse this application and support the applicants

It is long overdue, as the local Council has - for 40 years - refused to act to protect the beach and public amenities

Residents are now being forced to take action on their own

We completely endorse this proposal

( enclosed is a political donations document . Note : we have made no political donations in the past two years)
