**Development Application for Construction of Rock Revetment at 29, 31 and 33 Pacific Street and 23a, 23b and 25c Ocean View Drive Wamberal**

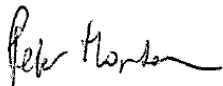

Construction of a rock revetment is proposed over the seaward portions of 29, 31 and 33 Pacific Street and 23a, 23b and 25c Ocean View Drive Wamberal. The NSW Coastal Panel is the consent authority for the proposed works, and a Development Application form and accompanying report ("Coastal Engineering Report and Statement of Environmental Effects for Construction of Rock Revetment at 29, 31 and 33 Pacific Street and 23a, 23b and 25c Ocean View Drive Wamberal") are enclosed.

As the works extend on to Crown Land, a Landowner's consent application to the Department of Industry - Lands ("Lands") is required, and has been submitted to Lands at PO Box 2155 Dangar NSW 2309. The covering letter that has been sent to Lands is enclosed.

Part of the works also extend north on to Department of Planning and Environment land at Lot 3 DP 524938. The accompanying report has been submitted to the Department of Planning and Environment in order to obtain landowners consent for this, with Mr Scott Courtney (Team Leader, Land & Asset Management, Office of Strategic Lands) being the contact.
