**Certificate no. :** 1112400  
**Issue Date:** 26-Mar-2010  
**Expiry date:** 15 March 2011

I certify that infrastructure works that will affect approximately 0.05 hectares of the habitat of the endangered Plains-wanderer *Pedionomus torquatus* on the Madison Square Stock Reserve, Denilquin for the purpose of safety, logistics and access for vehicles to the Denilquin Ute Muster site, under Section 94(2) of the *Threatened Species Conservation Act 1995* is unlikely to significantly affect threatened species, populations, ecological communities or their habitats, and consequently does not require a licence under the *Threatened Species Conservation Act 1995*, pursuant to Section 95(2).

This certificate is issued subject to the following conditions:

1. Only 0.05 hectares of Plains-wanderer habitat is to be directly removed by the construction of access tracks and associated infrastructure.
2. Only clean soil (ie sand) and bark chips is to be applied to existing and new tracks and stage area to minimise the risk of weed infestation.
3. A weed management strategy is to be prepared and implemented on the Deni Ute Muster site to minimise the long-term spread of weeds into Plains-wanderer habitat and other native vegetation.
4. No damage is to be inflicted to the Myall (Boree) Woodland Endangered Ecological Community.

This certificate is a defence against prosecution under sections 118A-D of the *National Parks and Wildlife Act 1974*.
