

Remediation Order

ORDER ISSUED TO:

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

Order Number: 01548-2020-1
CCMS Case Ref. No.: 01548-2020
Issue Date: 19th May 2021
Property: [REDACTED]

ORDER TO CARRY OUT REMEDIATION WORK UNDER SECTION 11.15 OF THE *BIODIVERSITY CONSERVATION ACT 2016* (NSW)

By email to: [REDACTED]

Date of issue: 19th May 2021

Who are we: The Department of Planning, Industry and Environment (**the Department**) has responsibilities regarding the administration and enforcement of the *Biodiversity Conservation Act 2016* (NSW) (**the BC Act**) and its associated Regulations, and responsibilities regarding the enforcement of Part 5A of the *Local Land Services Act 2013* (NSW) (**the LLS Act**) and the Regulations under that Part.

Why we serve remediation orders: Pursuant to section 11.15 of the BC Act, if the Environment Agency Head (**the Secretary of the Department**) is satisfied that an area, habitat, plant, animal or native vegetation as specified in section 11.15(1) has been damaged in or as a result of the commission of an offence against the BC Act or regulations or against Part 5A of the LLS Act or regulations, the Environment Agency Head may order a person to carry out specified remediation work in a specified manner and within a specified time.

What you are required to do: The works required by this remediation order provide for the control, abatement and mitigation of the damage and/or maintenance, remediation, restoration of the damaged area of the Property. Section 11.16(2) of the BC Act requires you to carry out remediation work required by this Order on [REDACTED] **only**.

When are you required to act: Immediately from the date of issue.

What happens if you don't comply: It is an offence against section 11.22 of the BC Act to contravene this Order without reasonable excuse or to intentionally obstruct anyone carrying out remediation work under this Order. Contravention of this Order has a maximum penalty of Tier 2. The maximum penalty that a court may impose for a Tier 2 offence is \$660,000 (plus \$66,000 for each day the offence continues) for a corporation, and \$132,000 (plus \$13,200 for each day the offence continues) for an individual.

What your appeal rights are: Section 11.23(1) of the BC Act allows for a person given a remediation order to appeal against the giving of the Order (or any terms of the order) to the NSW Land and Environment Court within 30 days of the service of the Order. However, even if an appeal is lodged,

Remediation Order

you must comply with this Order, unless the Court orders otherwise. More information on appeals can be found on the NSW Land and Environment Court website <http://www.lec.justice.nsw.gov.au>.

1. DEPARTMENT OF PLANNING, INDUSTRY AND ENVIRONMENT OBSERVATIONS

The Department investigated a report of native vegetation clearing in excess of Notification [REDACTED] - Part 3, Division 1, Pasture Expansion Code-Uniform Thinning Woody Vegetation at [REDACTED], [REDACTED] between April and June 2020.

Under the LLS Regulations 2014, it is an offence to contravene certain requirements of approvals, certificates or Codes contrary to section 139(2) of the LLS Regulations.

Information and evidence obtained during the investigation, including an assessment of aerial and satellite imagery, site inspections and ecological assessments indicates that damage occurred to native vegetation on Category 2 – Regulated Land between April 2020 and June 2020 contrary to LLS Notification [REDACTED]. The damage caused to Category 2 - Regulated Land comprised the removal of approximately 7.8 hectares of woody native vegetation.

The information and evidence obtained indicated that the damage occurred in, or as a result of, the clearing of native vegetation contrary to clause 139(2) of the LLS Regulations, and that none of the available defences listed in the BC Act and/or Part 5A LLS Act and associated regulations in relation to the offence apply.

The Remediation Area is located within [REDACTED] and is classified on the in force Native Vegetation Regulatory Map, prepared pursuant to Division 2 of the LLS Act, as Category 2 – Regulated Land.

2. REASONS FOR VIEW FORMED

I, [REDACTED], Director, Biodiversity, Conservation & Science Directorate - South West, am satisfied that the following has been damaged:

- a) native vegetation on Category 2 - Regulated Land under Part 5A of the LLS Act, namely, the removal of approximately 7.8 hectares of woody native vegetation

in or as a result of the commission of an offence against clause 139(2) of the LLS Regulations.

In order to:

- a) mitigate the damaged vegetation concerned;

I, [REDACTED], Director, Biodiversity, Conservation & Science Directorate - South West, order [REDACTED] (**the Remediator**) to carry out the following remediation work for a period of twenty-five (25) years from the date of this Order.

[REDACTED] holds delegated authority on behalf of the Environment Agency Head for the purposes of section 11.15 of the BC Act.

Remediation Order

3. REQUIREMENTS – WHAT YOU MUST DO TO COMPLY

In this Order, Remediation Area means the areas labelled ‘Remediation Area’ on *Attachment B – Remediation Areas Map*.

This Order **must** be complied with from the date of issue and for the Term of the Order.

3.1 General Requirements

- 3.1.1 Within sixty (60) days of issuance of this Order the Remediator **must** remove all stock from the Remediation Area and take measures to prevent stock from entering the Remediation Area for the Term of the Order.
- 3.1.2 Within sixty (60) days of issuance of this Order the Remediator **must** remove all weeds, commercial crops, and non-native plant species from within the Remediation Area by using selective methods (non-mechanised) of poisoning and/or manual removal and you must continue to control and remove all weeds, commercial crops, and non-native plant species from within the Remediation Area for the Term of the Order.
- 3.1.3 Within sixty (60) days of issuance of this Order the Remediator **must** undertake pest animal removal from within the Remediation Area and the Remediator must continue to undertake pest animal control and removal within the Remediation Area for the Term of the Order.
- 3.1.4 The following activities are **prohibited** within the Remediation Area except in accordance with written permission from the Department:
 - Soil disturbance (including cultivation),
 - Clearing of any native vegetation,
 - Grazing,
 - Removal of fallen timber,
 - Aerial or boom spraying,
 - Construction of any infrastructure, and
 - Storage of waste.
- 3.1.5 The Remediator **must** provide reasonable access to staff of the Department for the purposes of administering this Order which includes providing access to inspect the Remediation Area. The Department may use under its delegated authority, statutory notices to enter any neighbouring properties not under the control or ownership of the Remediator, to conduct inspections of the Remediation Area.
- 3.1.6 The Remediator is responsible for all costs associated with implementing and complying with the conditions of this Order.
- 3.1.7 The Remediator **must** ensure all people entering the Remediation Area do not use the land in a manner that would contradict this Order.
- 3.1.8 The Remediator **must** inform all purchasers of the land of this Order.
- 3.1.9 The Remediator **must** notify the Environmental Agency Head within fourteen (14) days if you intend on selling the land subject to this Order.

Remediation Order

3.2 Monitoring

- 3.2.1 The Remediator **must** regularly inspect the Remediation Area (minimum four times each year) for the purposes of determining:
- The presence of weeds, commercial crops, and non-native plant species within the Remediation Area.
 - The presence of pest animals within the Remediation Area.
 - The presence and impact of stock within the Remediation Area
 - Whether any prohibited activities have occurred within the Remediation Area.
 - The Remediator is responsible for ensuring accesses to the Remediation Area is achievable for the purposes of managing and monitoring the Remediation Area in accordance with this Order.

3.3 Record Keeping

- 3.3.1 The following records **must** be made by the Remediator (in the form provided at *Attachment D - Monitoring Report*):
- The date(s) on which the inspection was undertaken.
 - The name of the person who undertook the inspection.
 - The presence of weeds, commercial crops, and non-native plant species within the Remediation Area.
 - The presence of pest animals within the Remediation Area.
 - The presence and impact of stock within the Remediation Area.
 - Observations made during the inspection
 - Details of any work required (Corrective Actions) within the Remediation Area.
 - The date(s) any work was completed.
- 3.3.2 All records required to be kept by this Order **must** be:
- Made in the form provided at Attachment C.
 - Be true, accurate, correct and in legible form.
 - Kept for the duration of this Order.

3.4 Reporting Requirements

- 3.4.1 Within sixty (60) days you **must** submit a completed Initial Works Report (*Attachment C - Initial Works Report*).
- 3.4.2 Twelve (12) months from the date of this Order you **must** submit a completed Annual Monitoring Report (Attachment C). You **must** submit a completed report by May 1 every year for the duration of the Order. All reports **must** be scanned and emailed to compliance.southwest@environment.nsw.gov.au or sent by Registered Post to:

Remediation Order

4. AN EXAMPLE OF HOW YOU CAN COMPLY

One way of achieving compliance with this Order would be to:

1. Remove all stock from the Remediation Area within sixty (60) days.
2. Removal of weeds, commercial crops, and non-native plant species by selectively poisoning and manually removing when present.
3. Remove and control pest animals by baiting, trapping, or hunting when they're present.
4. Prevent human disturbances to the Remediation Area for the duration of the Order, except for work required for the removal of stock, and the management of weeds, commercial crops, non-native plant species, or pest animals.
5. Submit completed copies of the Initial Works Report and Annual Monitoring Reports as required by this Order.

DEFINITIONS

In this Order, the following definitions apply:

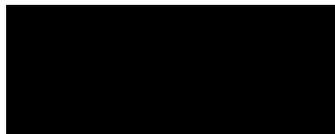

Term	Definition
BC Act	Means the <i>Biodiversity Conservation Act 2016</i>
Commercial Crop	Means any cultivated plant grown commercially (e.g. cereal, fruit, or vegetable).
Damage	Damage has the same meaning as defined in section 11.14 of the <i>Biodiversity Conservation Act 2016</i>
The Department	The NSW Department of Planning, Industry and Environment.
LLS Act	Means the <i>Local Land Services Act 2013</i>
LLS Regs	Means the Local Land Services Regulations 2014
Native vegetation	Has the same meaning as defined in Part 5A of the <i>Local Land Services Act 2013</i>
Non-native Plant	Means any plant that is not native to Australia.
Order	This document: a Remediation Order issued under section 11.15 of the <i>Biodiversity Conservation Act 2016</i>
Pest Animal	Means an animal that is a pest as defined by section 15 of the <i>Biosecurity Act 2015</i> .
Remediation Area	Means the areas located on the Property shown schematically on the map in Attachment B outlined in green and marked 'Remediation Area' within [REDACTED].
Remediator	[REDACTED]
Reporting period	Reporting period Means each annual period from the commencement of this Order
Stock	Means all livestock (including, but not limited to, cattle, horses, sheep, alpacas, pigs and goats). It does not include native wildlife.
Term	Means twenty-five (25) years from the date of issue.
The Property	[REDACTED]
Weed	Means a plant that is a pest as defined by section 15 of the <i>Biosecurity Act 2015</i> .

Remediation Order

WARNING AND INFORMATION ABOUT THIS ORDER

- If you fail to comply with this Order the Environment Agency Head or his/her Delegate may authorise any other person to enter the Property and carry out all of part of the work and may then recover the cost from you (section 11.18 of the BC Act).
- If you fail to comply with this Order, any person may seek an order from the NSW Land and Environment Court requiring you to rectify that breach of the legislation (section 13.14 of the BC Act).
- This Order is issued under section 11.15 of the BC Act.
- Under section 11.15(4) of the BC Act this Order may be varied or revoked by a further order.
- Under section 13.11 of the BC Act, your obligation to comply with the requirements of this Order continues until the Order is complied with, even if the due date for compliance has passed.
- DPIE may conduct inspections to determine whether this Order is being complied with.
- Words and expressions have the same meaning as words and expressions used in the BC Act or Part 5A of the LLS Act (as the case may be), except where a word is specifically defined in this Order.
- A Remediation Order will not negate the potential for enforcement action (including penalty notice or prosecution) under the BC Act or LLS Act. A Remediation Order is separate to any potential enforcement action.
